

SABREGAS

Rental Free Welding Gases

Don't pay rental anymore!

- No annual rental
- No transaction charges
- No hidden charges

ALL YOU PAY FOR IS THE GAS!

A one off payment allows you the right to use a Sabre Welding Gas Cylinder for 10 years after that.

- Available in 10 and 20 ltr.
- All our cylinders are filled to 200 bar.

SabreGas5 (Argon/Co2 mix 95% / 5%)	Used for MIG welding thin sections of mild steel and sheet. Ideal for car body work.
SabreGas20 (Argon/Co2 mix 80% / 20%)	Used for MIG welding steel between 5mm and 20mm. This gas will help ensure good penetration and fusion.
SabreGas Pure (Argon)	This is a pure Argon which is used for TIG Welding. Ideal for stainless and aluminium.

* Contents are not included in right to use price, all cylinders remain the property of Elmdale Welding Supplies Ltd. Prices quoted exclude VAT at current rate, delivery price is per delivery, not per cylinder. Terms of Agreement apply.
